

LED Track Lights

Water drop 10W

LTR-110-60-B (3000K) / Black

LTR-110-60-W (3000K) / White

FEATURES

- _ High reliability LED provided by CREE
- _ Adjustable: Continuous 350° rotation and 90° pivot
- _ High power factor: over 0.95
- _ High quality slim body
- _ Instant start
- _ TUV CE, RoHS approved, A+ Energy Efficiency Class
- _ Easy installation
- _ CRI >85
- _ Compatible with: 4 wire 3 circuit track system

APPLICATIONS

- _ Retail shop lighting
- _ Museum lighting
- _ Art gallery lighting
- _ Hotel lighting
- _ School lighting

MAIN SPECIFICATIONS

Available colors	White/Black
Color temperature, K	4000K
Power consumption, W	10 W
Typical luminous flux, lm	1000 Lm
LED Type	LED provided by CREE
Protection class	IP44
Dimensions	143 x 95 x 60 mm
Color rendering index	RA>85
Warranty	36 months
