Product description	Order information	
<p>The circular connector series C 16-3 has two housing sizes. The connectors are designed to meet the high requirements of industrial applications under harsh environmental conditions. The range includes versions with screw and crimp terminations. A selection of crimp contacts for hand crimp tools and crimp machines enables a reliable termination resulting in qualitative, technical and economical advantages. A broad selection of housing styles are available.</p> <p>Main features and advantages:</p> <ul style="list-style-type: none"> • Circular connectors for power and signal applications with following contact arrangements: Shell size 1: 8 + PE, 14 + PE, 17 + PE Shell size 2: 5 + PE, 12 + PE, 14 + PE, 19 + PE • For applications in machine tools, measurement and control, process technology and medical equipment • Housing are made from high grade plastic material. • Vibration safe connection by solid bayonet coupling with lock in position. • Cable housing straight and right-angled with various cable outlets • Protection degree IP 65 per IEC 60529 in mated condition. • Internal strain relief with screw clamp or concentric strain relief provides a safe cable restrain. 	<p>Color coding Upon request the coupling ring of the plugs and the housings of the receptacles can be delivered in the color red, green, blue, yellow and grey.</p> <p>Polarization Depending on the contact arrangements the polarization of this connector series can be varied. The contact inserts can be mounted in alternate positions. The order number in the catalog refers always to position 1. The position of the contact inserts can also be changed by the customer using a disassembly tool (see page 26 and 29) to remove the insert and remount it in the required position (see page 19).</p> <p>Crimp version Order numbers do not include crimp contacts. Please order separately (page 30/31). Crimp contacts for higher currents (up to 16A) are available upon request.</p> <p>Crimp tooling Ask for our crimp tooling catalogs.</p>
