

ALUBUTYL

- For use in waterproofing construction joints
- Excellent durability and water resistance
- Excellent UV and anti-aging resistance
- For waterproofing buildings
- Water vapor permeability: 0,5g/m² - 24h

Art. No.	width	length	colour	Pack.	EAN code
HPX-SAB-5020BK	50 mm	20 m	alu-black	18	5407004561240

Adhesive: butyl
Carrier: aluminium
Tensile strength: 164,8 N/25 mm
Adhesive strength: 19,6 N/25 mm
Thickness: 0,50 mm
