

Tool name: Exchangeable steel die set for shielded 10P modular plugs

Tool code: U753

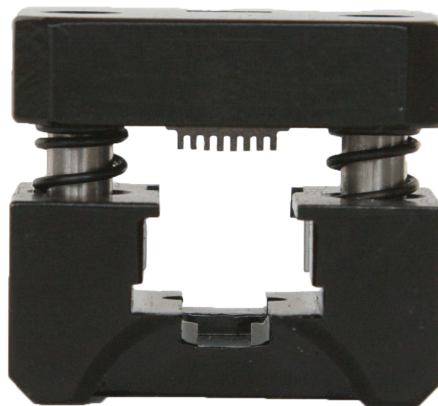

Applicable tool: K750 crimp hand tool frame

Country of origin: Croatia (EU)

Customs tariff number: 82079091

FEATURES

- Exceptional precision and accuracy of all elements.
- All parts of inserts are made of very high quality hardened steel.
- Constant high quality and outstanding characteristics of crimped connections.
- Very large number of crimping.
- Reliable meeting of all required end tolerances of crimped connections.
- Long life tool.
