

## Diamond drill bits for tiles "Dry", 12 mm, M14 (628303000)

Order no. 628303000

EAN 4007430230591

Product may differ from Image

- M14 Thread for use on angle grinders
- Vacuum hard soldered diamonds for a long service life and quick drilling progress
- Aperture in the shank for easy removal of the drilled core
- Developed for dry application, no extra cooling required. We recommend to briefly cool the tip with water in case of drilling in quick succession!
- We recommend using the thickness of the tile / fine earthenware / granite board as useful length. As a rule, max. 2 cm granite boards / work boards up to 5 cm can be drilled. Retract the drill bit often from the drilled hole so that it can cool down!
- Important: Do not drill into the subsurface in case of laid material!

### Technical data

#### Characteristics

Diameter	12 mm
Overall length	64 mm
Sales unit	1
